Deleting Decision Tables

Follow these steps to delete a decision table:

1. Navigate to the rule package to which the decision table belongs in the left navigation (verify that you have selected the correct Tenant from the **Tenant** drop-down list). Select the correct node (at which the rule was defined) and click the **Rules** tab.

Tip

You can also use the **Search** feature to locate rules.

2. Locate the decision table in the list and click the minus icon in the **Actions** column to the right.
