Web Services API Reference

Assign Agent to Business Unit

Assign Agent to Business Unit

Overview

This operation is part of the [Business Unit API](#) section of the [Web Services API](#).

Assign an agent to the Business Unit.

This will also assign the corresponding Configuration Manager person to the agent group.

Assigning an agent to a Business Unit can be done two ways:

- Assign an Agent to a Business Unit
- Assign a Business Unit to an agent

[Bulk assignment operations](#) are available for this operation.

Example - Assign agent to group

```
POST /groups/{id}/users
{
  "uris": "<user uri>"
}
```
