CometD Notifications

12/14/2025

CometD Notifications

A client can subscribe to `/v2/me/channels` to receive asynchronous CometD notifications.

Sample Notifications

```
{
    "data": {
        "channels": [
            {
                "userState": {
                    "state": "Ready",
                    "displayName": "Ready",
                    "id": "9430250E-0A1B-421F-B372-F29E69366DED"
                },
                "channel": "chat"
            }
        ]
    }
}
{
    "data": {
        "channels": [
            {
                "dndState": "On",
                "userState": {
                    "state": "NotReady",
                    "displayName": "Not Ready",
                    "id": "900D55CC-2BB0-431F-8BF9-D3525B383BE6"
                }
            }
        ]
    }
}
```
