Web Services and Applications Deployment Guide

Testing the User Interfaces with Workspace Web Edition

Testing the User Interfaces with Workspace Web Edition

Workspace Web Edition is the agent interface of Workspace Web Edition & Web Services. It is deployed as part of the Workspace Web Edition & Web Services deployment. You configure it by using the **Workspace Web Edition & Web Services Agent Interface Configuration Guide**.

Workspace Web Edition Agent Desktop

1. Once the configuration is complete, launch Workspace Web Edition by navigating to `/ui/ad/v1/index.html`.
2. Enter the credentials for any of the previously created agents. Note that the user must be of the agent type.
3. After clicking Log In, the Workspace Web Edition agent desktop view is displayed and the agent is ready to work.
