Genesys Knowledge Center API Reference

Important

The current documentation version is related to release 8.5.3. API documentation is available for releases 9.0.0 and up when running an instance of the Genesys Knowledge Center Server. You can access the documentation from: <http://<server instance>:<server instance port>/gks-server/doc/swagger-ui.html> (for example, <http://localhost:9090/gks-server/doc/swagger-ui.html>)

This API reference contains an overview of the Genesys Knowledge Center REST API and information about the three Knowledge Center APIs:

Overview

Find out more information on the Genesys Knowledge Center REST API.
