# Reviewing My Responses to Other Agents' Proposals

## Important

This content may not be the latest Genesys Engage cloud content. To find the latest content, go to [Genesys Engage cloud for Agents](#).

Use the My Responses window to:

- Review your responses to other agents' schedule trade proposals.
- Review the status of proposals to which you have responded.
- Cancel a pending response, if you change your mind.

The window includes standard [date selectors](#) and a table of proposals and responses, whose general controls are described in [Trading Windows' Common Features](#).

## About the Proposals and Responses Table

The table shows all of your responses to proposals whose first date is within the selected week. It is sorted by the first date of each proposal.

The Agent Name column shows the agent who posted each original proposal.

- Click an agent's link in the **Agent Name** column if you want to display his or her [Schedule Details pop-up](#).

## Viewing Trade Status and Canceling Responses

The Status column tells you the current status of each trade proposal/response pair. When a response is in certain statuses, you can use the Action column to cancel it:

Cancelled	Your response was cancelled: you explicitly cancelled it, or the other agent cancelled the original proposal, or WFM Web automatically cancelled the trade because of changes to either agent's schedule. The trade will not take place.	None

When you cancel a response, if your system administrator has enabled the Comments feature, the [Trading Comments](#) window opens. There, you can add a comment and complete the action by clicking submit.
