# Add or Edit Comments

> ### Important
> This content may not be the latest Genesys Engage cloud content. To find the latest content, go to Workforce Management in Genesys Engage cloud.

If you selected **Day Off** in the **Choose Calendar Items** screen, the **Comments** screen appears when you click **Next**.

- Type your comments, if you have any, into the **Comments** text box, and then click **Finish**.

The Calendar reappears, displaying the new or edited day off.
