# Genesys Engage cloud Workforce Management 8.5.1 Guide

[Business Unit Sites](#)

# Business Unit Sites

## Important

This content may not be the latest Genesys Engage cloud content. To find the latest content, go to [Workforce Management in Genesys Engage cloud](#).

The **Business Units Sites** pane enables you to select the sites you want to be included in the business unit. To open it, select a BU and in the right-side pane, click **Sites**.

## Sites Pane Controls

 <b>Save Now</b>	Click to save the properties after you have entered them or made changes.
 <b>Add Site to Business Unit</b>	Click to add a site to a business unit. When clicked, opens a list of available sites from which to choose.
 <b>Help</b>	Click to open a Help topic for the <b>Sites</b> pane.

## Available Sites Pane Controls

 <b>Apply</b>	Click to apply this site to the selected business unit.
 <b>Close</b>	Click to close the <b>Available Sites</b> pane.
 <b>Help</b>	Click to open a Help topic for the <b>Available Sites</b> pane.

## Adding Sites to Business Units

To add a site to your business unit:

1. Select a business unit.

2. In the **Sites** pane, select **Add Sites to Business Unit**  .  
The **Available Sites** pane opens.
3. Select a site and click **Apply**  .  
The site appears in the **Sites** pane and is assigned to the selected business unit.

### Tip

If you select a site that cannot be applied for any reason, the **Review Validation Messages** pane opens with an error description.

## Sorting Sites in Lists

To sort the sites in a list, click the header of the column by which you want to sort the sites.
