Genesys Engage cloud Workforce Management 8.5.1 Guide

DMW: Select Dates Screen

DMW: Select Dates Screen

Important

This content may not be the latest Genesys Engage cloud content. To find the latest content, go to [Workforce Management in Genesys Engage cloud](#).

The **Select Dates** screen in the **Delete Multiple Wizard** (DMW) contains a calendar.

1. Select the date or dates from which you want to delete the schedule items.
The calendar works as described in [How to Use the Calendar](#).

Tip

If you are deleting from a schedule scenario, you cannot select dates that fall outside of the scenario's date range.

2. Click **Next**.
The **Select State Type** screen appears.

Warning

Any item that overlaps the dates and times selected will be deleted, even if it overlaps by as little as a minute.
