## Important

This content may not be the latest Genesys Engage cloud content. To find the latest content, go to [Workforce Management in Genesys Engage cloud](#).

Selecting the **Options** button in the Performance Intra-Day view opens the **Options** dialog box, which contains a directory-style tree of statistics that can be displayed in the grid. By default all are selected. To clear or select any individual statistic, click its check box. There is a check box at the top of the tree that selects or clears all statistics at once.

Click **OK** to accept your changes or **Cancel** to abandon them.
