Known Issues and Recommendations

SMS Server

The Known Issues and Recommendations section is a cumulative list for all 8.5.x releases of SMS Server. This section provides the latest information on known issues and recommendations associated with this product. It includes information on when individual items were found and, if applicable, corrected. The Resolved Issues section for each release describes the corrections and may list additional issues that were corrected without first being documented as Known Issues.

See also [Internationalization Issues](#).

There are no known issues or recommendations for this product.

Internationalization Issues

Information in this section is included for international customers.

There are no internationalization issues for this product.
