Important

The Tomcat upgrade required changing relative paths to absolute paths in Jakarta Server Pages (JSP), resulting in a version upgrade for all products. Ensure that the latest products are imported following the migration to Apache Tomcat 9.0.98.

- Support for Windows Server 2022. See the [Genesys Intelligent Automation \(formerly GAAP\)](#) page in the [Genesys Supported Operating Environment Reference Guide](#) for more detailed information and a list of all supported operating systems. (SPCHSTRM-4267)

Resolved Issues

This release contains no resolved issues.

Upgrade Notes

No special procedure is required to upgrade to release 9.0.127.01.
