Voice Platform MIB 9.0.x Release Note

This Release Note applies to all 9.0.x releases of Voice Platform MIB. Links in the [Available Releases](#) section enable you to access information regarding a specific release.

Available Releases

[+] Note about release order

Releases are listed by version number rather than in date order. For this reason, a recent release may be listed after earlier releases, if the version number is lower. Except when otherwise noted in the information for a specific release, each release includes all of the features and corrections that were introduced for the applicable operating system at earlier dates, regardless of the version numbering.

Release 9.0.0:

Release	Release Date	Release Type	Restrictions	AIX	Linux	Solaris	Windows
9.0.063.06	06/24/22	General			X		X
9.0.054.87	12/14/21	General			X		X
9.0.041.80	12/16/20	General			X		X

The operating systems available for use with each component release are listed in the table at a high level only. For more detailed information about the supported operating environments, including requirements, supported versions, and any conditions or limitations, see the [Genesys Voice Platform](#) page in the [Genesys Supported Operating Environment Reference Guide](#).

For information about 8.5.x releases of Voice Platform MIB, see the [8.5 Release Note \(Cumulative\)](#).

Discontinued Support

[+] Note about discontinued items

This section documents features that are no longer supported in this software. This cumulative list is in release-number order with the most recently discontinued features at the top of the list. For more information on discontinued support for operating environments and databases, see [Discontinued Support](#) in the [Genesys Supported Operating Environment Reference Guide](#).

There are no discontinued items for this product.

Known Issues

You can find a cumulative list of the Known Issues and Recommendations for all 9.0.x releases of Voice Platform MIB, including the issues that are specific to Localized (International) releases, at the following links:

- [Known Issues and Recommendations](#)
- [Internationalization Issues](#)

Related Resources

For additional information about Voice Platform MIB, see the following documentation:

- The documentation related to this software is available from the [Genesys Voice Platform](#) page.
- The [Genesys Voice Platform Deployment Guide](#) provides details about installing and configuring Voice Platform MIB.
- The [Genesys Voice Platform](#) page in the [Genesys Supported Operating Environment Reference Guide](#) provides detailed information about the supported operating environments, including requirements, supported versions, and any conditions or limitations for Voice Platform MIB components.

Release Notes for other Genesys components are available [here](#).

Known Issues and Recommendations

Voice Platform MIB

The Known Issues and Recommendations section is a cumulative list for all 9.0.x releases of Voice Platform MIB. This section provides the latest information on known issues and recommendations associated with this product. It includes information on when individual items were found and, if applicable, corrected. The Resolved Issues section for each release describes the corrections and may list additional issues that were corrected without first being documented as Known Issues.

See also [Internationalization Issues](#).

There are no known issues or recommendations for this product.

Internationalization Issues

Information in this section is included for international customers. Release numbers in the **Found In** and **Fixed In** fields refer to the English (US) release of Voice Platform MIB unless otherwise noted in the issue description.

There are no internationalization issues for this product.
