# Workbench User's Guide

[Logging In](#)

## Logging In

Once Workbench has been successfully installed, please navigate to `http://<WB_HOST>:8181` to login

You will be presented with the Workbench login screen below:

The screenshot shows the Genesys Workbench login interface. At the top, the Genesys logo is displayed. Below it, the text 'Welcome to Workbench' is centered. There are two input fields: 'Username' and 'Password'. The 'Password' field has a lock icon. Below the fields is a blue 'Login' button.

Please use your Genesys Engage Configuration Server (CME) login credentials to authenticate and login to Workbench.

Once logged-in you will be presented with the Workbench Home Dashboard ("\_Genesys Home") by default, this 'Start-up' page can be changed via User Preferences.
