New Schedule Scenario: Filter By Contracts

This page appears in the New Schedule Scenario Wizard only if you selected the **Additionally Filter By Contracts** check box in the **Select Activities** screen.

1. Select one or more contracts from the tree, which includes business units, **sites**, and **contracts**.

Important

The tree shows only those contracts that the scenario included when it was created and, by default, all contracts matching the activities that are selected on the **Select Activities** screen, are selected

2. Click **Next** to proceed to the next screen.
